

Graduation Prayer

Loving God, Father of us all,
You have been with me
during these past several years
of study and formation.

Help me to be ever grateful for your gifts
from the Holy Spirit and for all the persons
who helped me to come to this special point
in my life's journey.

I pray especially through the intercession
of Saint Katharine Drexel,
as Catholic education was so critical
to her mission to make known the Faith.
She and her beloved Sisters of the Blessed Sacrament
gave all they had in this great work of the Church,
holding Christ as central to its success.

May she now watch over me
as I journey through adulthood.

Also, may she help me to keep Jesus at the center
in all of my important choices and decisions yet to come.

I make this prayer through Jesus,
who lives and reigns with You, forever and ever. Amen.
